

Cookies Policy

1. Introduction

This cookies policy explains how Safe Responsec Group Ltd uses cookies and similar technologies on our website.

2. What are Cookies

Cookies are small text files that are stored on your computer or mobile device when you visit a website. They are widely used to make websites work more efficiently and to provide information to the owners of the site.

3. How We Use Cookies

Safe Responsec Group Ltd uses cookies to improve the performance and functionality of our website, to analyze traffic and user behavior, and to personalize content and advertisements. We may also use cookies from third-party services, such as Google Analytics, to gather information about how users interact with our website.

4. Types of Cookies We Use

Strictly Necessary Cookies: These cookies are essential for the operation of our website and enable you to navigate the site and use its features.

Performance Cookies: These cookies collect information about how visitors use our website, such as which pages are visited most often.

Functionality Cookies: These cookies allow our website to remember choices you make and provide enhanced features, such as remembering your login details.

Targeting Cookies: These cookies are used to deliver advertisements that are more relevant to you and your interests.

5. Managing Cookies

Most web browsers allow you to control cookies through their settings preferences. You can choose to accept, reject, or delete cookies.

Please note that if you choose to disable cookies, some parts of our website may not function properly.

6. Changes to this Policy

We may update this cookies policy from time to time. Any changes will be posted on our website and will take effect immediately.

7. Contact Information

If you have any questions or concerns about our use of cookies, please contact us.

8. Acknowledgement

By continuing to use our website, you acknowledge that you have read and understood this cookies policy and agree to its terms.
